<TEXT> Already, fully half of the reoccurring set monthly amount appearing on my bill (\$32.90) represents government mandated fees, taxes and surcharges. \$16.45 month in such obligations seems like more than enough of a burden.

I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund and further increase the amount I must pay every month just to have a phone in the house.

Cinzia Powley

Sincerely,

Cinzia Powley
